Shirley Valentine fundraiser

The North Vancouver chapter of the Canadian Federation of University Women held their annual fundraising event at Deep Cove Shaw Theatre on May 16. Guests enjoyed appetizers and refreshments, along with a silent auction, prior to taking in a performance of the classic comedy, *Shirley Valentine*, put on by First Impressions Theatre Company. Close to \$1,500 was raised during the event that will go towards the local CFUW's bursary program, which offers financial assistance to selected female graduates from North Vancouver schools who plan to study at CapU, BCIT, SFU and UBC. Besides supporting scholarships and championing female education, other goals of CFUW North Vancouver and its 67 members include fostering community service and personal growth. cfuwnv.vcn.bc.ca
